Review Of The National Main Street Center Market Gap & Transformation Strategy Report

Market Gap Analysis & Transformation Strategies Report was discussed by Jason Miller and dispersed to members. Goal for next month is to try and define specific strategies for The Plan Archdale Committee taken from the Transformation Strategy Recommendations. Grant opportunities were discussed for potential future projects. Jason Miller requested members decide on priority of projects so that if there is an opportunity for a grant, we can put in an application as soon as possible.

Additional Items

Different styles of benches were researched by the committee so we can be prepared to purchase them when funding becomes available. Jason Miller requested that members email benches that would fit for Bonnie Place so that the durability can be investigated prior to the end of the week so he can finish the application for the AARP Livable Communities Challenge Grant.
